

HCHB Non Present Discipline Discharge

Last Modified on 08/16/2024 11:19 am EDT

Purpose:

Guide clinicians on what to complete in Point Care when a discipline is ending, Clinician is unable to physically perform the skilled visit, and client continues to have other services ordered.

Regulation: G460, G462, G434, G572

Policy: Discharge, Transfer, Referral and Corresponding Summary <https://aveanna.elucid.com/documents/view/546>

CHAP Manual: APC.10.D.M1

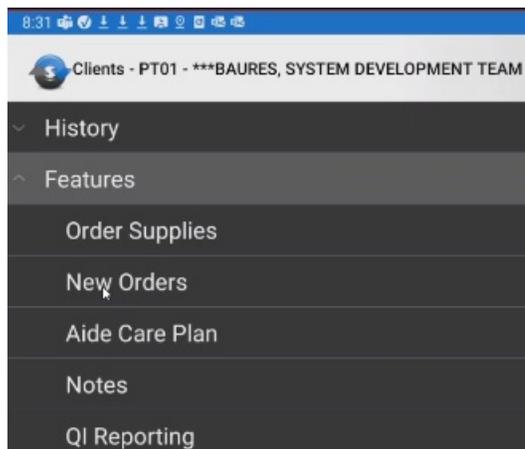

Measurement:

1. Star Ratings will be above a 3.5 star rating for all branches.

Process:

1. Clinician will access Medical Records for their patient from the Rolling Calendar and scroll to the Features section:

1.

2. Clinician will Add a New Order, including the following:

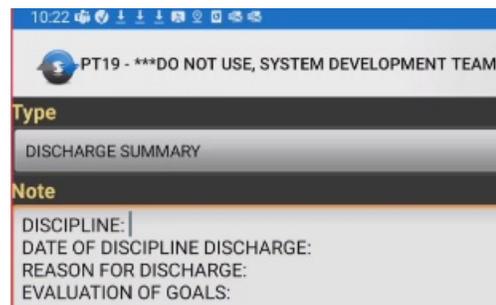

1. Send to Physician = enter Provider
2. Order Type = Physician Order
3. Instructions = Discipline only discharge for *Insert Discipline*
4. Calendar --> Remove all future visits.

1. To Delete visits, select the date of the visit which will show the service code. Hold down the service code on your tablet and choose to 'DELETE' the visit.

5. Save the New Order

3. Clinician will enter a DISCHARGE SUMMARY Note by selecting 'Notes':

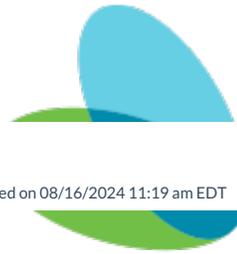

1.

2. Complete each of the fields in the Discharge Summary note.
3. Save the Note

4. SYNC the device so that the Order and Discharge Summary note can be processed.
